

Prominent Notice on Cat Cruise Product Page

Tall Ship Adventures Pte Ltd recognizes the importance of your cat's health and well-being. Therefore, we kindly request your attention to the following information regarding the suitability of the Cat Cruise for your cat. If the answer to any of the questions below is NO, it indicates that your cat is not suited for the Cat Cruise.

Please carefully consider the following questions:

1. Has your cat been outside the home before, and does it stay relatively calm?
2. Does your cat have a valid FVRCP vaccination, and is it currently fit and healthy?
3. Is your cat at least 4 months old?
4. Has your cat previously worn a collar or harness with a lead?

If the answers to all of the above questions are **YES**, it suggests that your cat may be suited for the Cat Cruise. However, please note that participation is contingent upon your willingness to comply with the following requirements.

CAT CRUISE REQUIREMENTS AND OTHER VERY IMPORTANT INFORMATION

Age and Security Requirements

Tall Ship Adventures Pte Ltd has established the following age and security requirements for cats participating in the sailing experience:

1. Age Requirement: Cats over 4 months of age are permitted to sail with us under the following conditions.
2. Secure and Well-Fitted Harness: It is mandatory for cats to wear a secure and well-fitting harness that is properly fastened to ensure that the cat cannot escape thereby ensuring the cat's safety – see [harness guidelines](#)
3. Tethering and Lead Requirements: The cat's harness must be attached to a lead that is no longer than 1.5 meters. The lead must be continuously tethered to a secure object or held tightly throughout the duration of the sail. Retractable leads are strictly prohibited.
4. Human Supervision: For every cat participating in the sail, it is mandatory to have at least one responsible human present to provide supervision and ensure the cat's safety.

By agreeing to allow your cat to participate in the sail, you confirm and acknowledge that:

- a) Cats over 4 months of age must comply with the harness, tethering, and lead requirements outlined above.
- b) The Company reserves the right to refuse entry to any cat that does not meet the specified age and security requirements.

Vaccination and Sterilization Requirements

Tall Ship Adventures Pte Ltd enforces the following vaccination and sterilization requirements for cats participating in the sailing experience:

Vaccination Requirements:

- a) FVRCP Vaccination: All cats must possess a valid FVRCP (Feline Viral Rhinotracheitis, Calicivirus, and Panleukopenia) vaccination.
- b) FeLV and FIV Status: Cats must test negative for both Feline Leukemia Virus (FeLV) and Feline Immunodeficiency Virus (FIV).
- c) Vaccination Timeline: If the cat is unvaccinated or requires a booster shot, the entire course of vaccination must be completed at least 2 weeks prior to the scheduled sailing date.
- d) Kittens (4-12 months old): Kittens between 4-12 months old must have received at least 1 vaccination shot.
- e) Adult Cats (over 12 months old): Adult cats over 12 months old must have completed the full course of vaccination shots. The most recent vaccination or a valid titer antibody blood test result displaying sufficient antibodies of the FVRCP vaccine must be available.

Sterilization Requirement:

All cats over 4 months old must be sterilized.

By agreeing to allow your cat to participate in the sail, you confirm and acknowledge that:

- a) Your cat meets the vaccination requirements outlined above, including possessing a valid FVRCP vaccination and testing negative for FeLV and FIV.
- b) The Company reserves the right to refuse entry to any cat that does not meet the specified vaccination and sterilization requirements and or require a confirmation letter from a licensed Veterinarian confirming compliance with requirements outlined above.

Parasite-Free Requirement

Tall Ship Adventures Pte Ltd imposes the following parasite-free requirements for cats participating in the sailing experience:

1. Parasite-Free Status: Your cat must be free of parasites, including but not limited to fleas, ticks, ear and fur mites, ringworm, coccidia, and giardia.
2. Parasite Treatment: Within 3 weeks prior to the scheduled sailing dates, you are required to administer a parasite treatment to your cat. Acceptable parasite

treatments include Advocate, Broadline, Frontline, Revolution, and Revolution Plus.

3. Consequences of Parasite Infestation: If, during the sailing, your cat is found to be infested with parasites, it will be confined to a designated cabin for the duration of the sail.

By agreeing to allow your cat to participate in the sail, you confirm and acknowledge that:

- a) Your cat must be free of parasites as specified above.
- b) You are responsible for administering an appropriate parasite treatment to your cat within the designated timeframe.

Health Status and Boarding Requirements

Tall Ship Adventures Pte Ltd has established the following health status and boarding requirements for cats participating in the Cat Cruise:

Health Status:

- a) Illness and Injury: Your cat should be free of illness and injury on the sailing date. If your cat has recently recovered from illness and/or injury, it is recommended to consult your veterinarian to ensure that your cat is fit to enjoy the Cat Cruise.
- b) Health Disclosure Form: At least 72 hours prior to boarding, the owner must upload the attached health disclosure form, signed by a licensed veterinarian, confirming the cat's health status.
- c) Waiver of Liability: Prior to boarding, the owner must sign a waiver of liability, acknowledging their responsibility for the cat's health and compliance with the requirements.

Boarding, Moving Around, and Disembarkation:

- a) Carrying in a Carrier: All cats must be carried inside a carrier during the boarding and disembarkation process. The Company can provide a carrier upon request.
- b) Pet Prams: Pet prams are not permitted on board and must be left on the pontoon.
- c) Onboard Freedom: While onboard, at the owner's risk, owners may allow their cats out of the carrier if they are wearing a harness with a lead attached at all times.
- d) Caution: Owners must exercise caution when their cats are outside of the carrier and especially if they are within 1.5 meters of the outer handrail on the upper deck. Cats can unexpectedly bolt or jump, so it is advisable to keep them on a short lead at all times.

Right to Deny Boarding:

- a) **Harness Verification:** During the registration process, the Company will require you to demonstrate that your cat is wearing a well-fitted harness that it cannot wriggle out of.
- b) **Denial of Boarding:** The Company reserves the right to deny boarding if the owner fails to comply with the requirements or if, in the Company's sole opinion, the cat is deemed unfit to enjoy the Cat Cruise, cannot remain calm while being handled by the owner, or demonstrates aggressive tendencies.
- c) **Administration Fee and Refund:** If boarding is denied, a 50% administration fee shall be imposed, and a 50% refund will be issued for any monies paid.

Special Considerations:

- a) **Chronic Conditions and Geriatric Cats:** Special consideration should be given to cats with chronic conditions or those that are senior and geriatric. If there are any doubts about the cat's fitness to enjoy the Cat Cruise, it is advisable to consult with a veterinarian.

Other Important Information

Disclosure of Information and Acknowledgment of Responsibilities

Tall Ship Adventures Pte Ltd would like to emphasize the following regarding the absence of a veterinarian during the Cat Cruise and the limitations of our staff's qualifications in veterinary matters:

1. **Absence of Veterinarian:** Please be aware that a veterinarian will not be present during the Cat Cruise. The Company's employees are not trained veterinary staff and are not qualified to interpret medical test results, provide medical opinions, or assess the condition or health status of your cat.
2. **Responsibility for Disclosure:** As responsible cat owners, it is your obligation to comply with the following requirements and provide accurate and complete disclosures about your cat and its suitability to participate in the Cat Cruise.

By agreeing to participate in the Cat Cruise, you acknowledge and accept that:

- a) The absence of a veterinarian during the Cat Cruise means that any medical emergencies or health-related issues concerning your cat may need to be addressed by seeking appropriate veterinary care by yourself.
- b) The Company's employees are not equipped to provide veterinary advice or medical treatment for your cat during the Cat Cruise.

Arrival & Departure

Please check your email carefully for boarding details. Royal Albatross shall depart on time, so please be punctual. You may move your scheduled sailing date free of charge up to 3 days prior to departure, thereafter a change fee shall be incurred. Please contact reservations@tallship.com.sg for any booking assistance.

Acceptance of Risk

Bacteria, virus, fungus, parasites and other conditions can go undetected in cats that do not show signs of active infection or illness, and that it is impossible to rule out the possibility of your cat possessing allergies, underlying, chronic or long-term conditions that remain undiagnosed. While we will do our best to ensure the cleanliness of our facility, by sailing with us, you acknowledge the above and that animals are unpredictable so there is always a possibility of death, injury, sickness or illness to the cat, or to another animal or person.

Therefore and in respect of the services we provide, you waive and release Tall Ship Adventures Pte Ltd and its employees from any and all claims, actions, damages or liability for injury, death, sickness or illness suffered by the cat while in the duration of sail.

Acceptance of Risk and Indemnity Clause

By participating in the services provided by Tall Ship Adventures Pte Ltd ("the Company"), you acknowledge and accept the following terms regarding the risks associated with your cat's health and well-being:

1. Undetected Conditions: Bacteria, viruses, fungi, parasites, and other conditions may be present in cats that do not exhibit active signs of infection or illness. It is impossible to completely rule out the possibility of your cat having allergies, underlying, chronic, or long-term conditions that have not been diagnosed.
2. Unpredictability of Animals: Animals, including cats, can behave unpredictably, and as such, there is always a possibility of death, injury, sickness, or illness to your cat, as well as to other animals or persons.

In consideration of the services provided by the Company, you hereby waive and release Tall Ship Adventures Pte Ltd and its employees from any and all claims, actions, damages, or liabilities arising from or in connection with:

a) Injury, death, sickness, or illness suffered by your cat during the duration of the sail; and,

b) Injury, death, sickness, or illness suffered by any other animal or person during the duration of the sail.

You agree to indemnify and hold harmless Tall Ship Adventures Pte Ltd and its employees from any claims, demands, actions, costs, expenses, or liabilities, including legal fees, arising from or related to any such claims, actions, damages, or liabilities.

Cat Health Declaration Form

Tall Ship Adventures Pte Ltd urges all cat owners to be responsible and carefully consider the following information when completing the Cat Declaration Form for the Cat Cruise. To participate in the sailing experience, please fully complete the form and submit it to: reservations@tallship.com.sg.

Furthermore, please note that the Company reserves the right to request a veterinarian's letter if the provided information on the Cat Declaration Form is deemed insufficient or requires further verification.

By submitting the completed Cat Declaration Form, you confirm that you have carefully read, understood, and agreed to comply with the information and requirements outlined in the form.

Please ensure that all information provided is accurate and complete. Failure to provide accurate information may result in denial of participation in the Cat Cruise.

Thank you for your cooperation.
